

Company Profile

FENDER

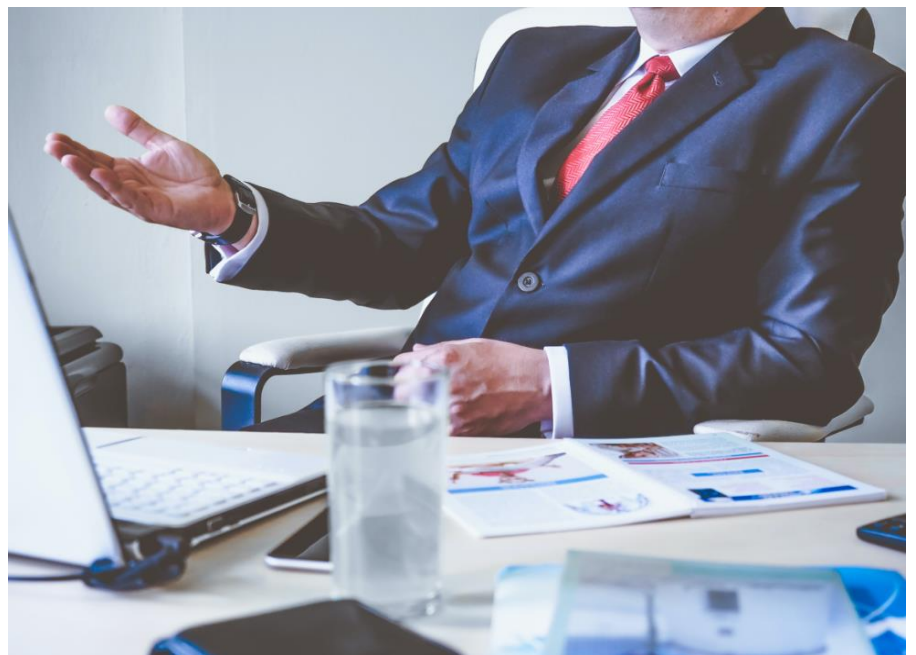

Trading & Contracting

Introduction

FENDER Trading & Contracting has been established in JANUARY 2016 by the brothers Mr. Islam Mohamed Hassan and Mr. Mostafa Mohamed Hassan to engage the large experience gained and knowhow of the two brothers resulted in an integrated firm for construction and MEP work.

Mr. Islam is a civil engineer with extensive years of experience in design and construction of steel and concrete buildings, he has contributed in many of the prestigious projects such as AL BIDDA Tower, Q-chem II, QAFACO, LUSAIL LRT and Qatar Rail Musheireb main station and Red Line North etc.

Mr. Mostafa is a mechanical engineer and MBA Holder, with broad years of experience for Mechanical and Electrical disciplines in different industrial and residential projects like factories, cold stores, HVAC, Hydraulic and MEP works.

VISION/MISSION

VISION

Our vision is to become one of the Qatar's leading General Contractors that offer international standards and deliver superior capital efficiency and schedule assurance to our valued Clients.

MISSION

Our Mission is to build social and economical infrastructures which guarantee efficiency, sustainability, safety, and quality. We are committed to continuously modernize, innovate and evolve our organization to meet the rising demands and challenges in the construction industry for the benefits of our valued Clients.

VALUES

Quality, Trust, Integrity, Commitment and Team Spirit
